

# NANAWALL SLIMLINE STEEL EFFECT

## GENERATION 4™ Folding Glass Walls by NanaWall

With the slim nature of Generation 4 products, NW Aluminum 640/840 can be customized with popular SE colors for a truly classic steel look while benefiting from the superior performance of an aluminum folding glass wall. Simulated divided lites can be specified in patterns of your choice.

Aesthetics of Steel with the Advantages of NanaWall Generation 4 Aluminum Folding Glass Walls

- Superior weather performance than steel
- Greater thermal performance than steel
- More advanced locking than steel
- Tremendous value compared to steel
- Faster installation with factory glazing
